

PRESS RELEASE

DATE: August 18, 2010
FROM: Massillon City Health Department
SUBJECT: Mosquito Spraying

The Massillon City Health Department will be spraying for mosquitos on Wednesday, August 25, 2010 in the following areas:

Massillon City Parks
Massillon Paul Brown Tiger Stadium
Sippo Reserve/Sweetleaf NW

Spraying will begin at approximately 10 p.m. In case of rain, high winds, cold temperature, etc., the spraying must be postponed until favorable conditions exist.

Bee Keepers should take the necessary precautions to protect their hives.

People with respiratory problems should take appropriate precautions.

Terri Argent, Health Commissioner
Massillon City Health Department
